Pheasant, Turkey, Goose

Indulge yourself with our Three Bird Roast. It will make a stunning centre-piece to any table. Choose from a succulent barn reared turkey stuffed with pheasant within a duck; a free range goose stuffed with pheasant within a chicken; or a duck stuffed with a guinea fowl with turkey. For your Three Bird Roast stuffing, you can choose from delicious handmade sausagemeat with either apple & apricot or sage & caramelised red onion stuffing.

Christmas Goose or Duck

from Gressingham

For centuries goose was the first choice for the Christmas table, being a large bird, rich with meat, native to this country & of course delicious. Forget 12 days of Christmas, roast Gressingham duck is a delicious alternative any day of the yuletide calendar – be it Christmas Day, Boxing Day or New Year.
